Grand Knight

Grand Knight Report

My Brothers, as I reflect on this past month, this past year, and the future of our beloved council I am reminded of what Saint Theresa of Lisieux taught us, "Our Lord does not look so much at the greatness of our actions, or even at their difficulty, as at the love with which we do them." I am so inspired by all of you, your dedication and love of the council, our values, ideals and shared spirituality, that are abundantly visibly in the way you go about our many activities and events! March was yet another month like so many this past year where we had events each and every weekend. All of these event were highly successes not only because they went well, which they all did, but more importantly because of the love, happiness, anticipation and smiles in which you all supported them!

The month began with our 6 week journey and labor of love, the Lenten fish fries, to raise money for seminarian grants. We've completed 4 very successful weeks thanks to the effort of so many brothers rolling up their sleeves leaving no details amiss -- from food procurement and early preparation, hall setup, kitchen, bar and serving duties, to cleanup afterwards, we are never short of hard working brothers and each Friday was a packed house full of spirit and laughter. Also at the beginning of the month, several brothers carried the touch providing chaperones for the Confirmation II weekend retreat and on that same weekend we hosted a very successful Vocation Retreat with speakers representing all vocations and religious life inspiring over 100 attendees! Kudos to our co-chairs Brothers Jess Par and John Ngo, great job guys! The very next weekend we supported the Alter Society with the Saint Joseph Day celebrations by taking care of the spaghetti dinner. I can't stop hearing about how wonderful the dinner was, best in the west(!) and I'm told that over \$3000 was raised for Christian Services, a large portion of which was from the dinner we hosted! A great job by our event Chair and Chef Extraordinaire Brother Rudy PGK! All of this and we're not even done with the month! We were also asked to support the Word Youth Group with their March Madness event promoting drunk driving awareness and many brothers volunteered to help with this. Great Job All!!!

With all the successes and events of March, as Saint Theresa taught, it truly is amazing the love and enjoyment each of you have in your efforts and hard work! We really do have great fun in unity and brotherhood as we work in service to Church, Community and Brotherhood. With this in mind I am also pleased to report that with the lead of our Worthy DD Bill Davey, we have completed all of our State Awards Reports and will have submitted them on time of

(Continued on page 2)

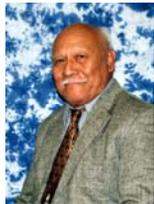

(Continued from page 1)

the April 1 deadline. I am even more-so pleased to report that 3926 was able to hit all of the state recommended programs with ease! The State minimally requires 5 events in each of 7 categories -- Church, Family, Youth, Council, Vocations, Community and Culture of Life, that's minimally 35 events! I was so impressed that we not only covered all of these categories and events but we had an abundance of events to choose from! Many events were not reported due to strict reporting limitations! This is a true testament to how active our council has been throughout the year. I would like to emphasize that it is not that we work towards "getting awards," which has never been the objective, but rather that by achieving all of the state recommended activities we truly are a well rounded council as envisioned by the Order. So great kudos to all of Council 3926 -- YOU ALL ROCK!

Looking forward our efforts will be greatly needed in support of the Church with the upcoming Parish festival. Council 3926 has always and continues to be heavily involved with this annual event not only providing labor support but also leadership throughout the years. Personally, the Parish Festival is my favorite church event as it is one of the few event, if not the only, that truly brings together all of the church groups, ministries and peoples in service and united purpose! And, of course, let's continue our great efforts and close out the Fish Fries with a big bang! Lastly, I remind and encourage all to reach out and recruit new members. If we want to continue and increase our mission of service to church and community, we must grow our numbers!

In closing, I would like to wish you all a blessed and happy Easter, may the Lord's blessing be with you on Easter and always.
Vivat Jesus, Kien Le

Deputy Grand Knight-Program Director

My Brothers,
the month of March turned out to be a pretty exciting month for Council 3926. Two events garnered a lot of praise and kudos for our Council. Again, our annual Fish Fry has drawn a lot of praise from our guests, not so much for the cooking itself but, the whole atmosphere of friendliness and Catholicism that was exhibited by you, my Brother Knights. Then, on the 18th of March, we were blessed with the opportunity of serving our parish by hosting the St. Joseph 's Dinner for the Blessed Sacrament Altar Society. Even though there was some consternation, being it was a first attempt at a new venue hosting

Family of the Month

March has been largely about our Lenten Fish Fries and this annual offering would not be the wonderful event that it has become without the active support, generosity and participation of the Marquez Family. Brother Jose, his wife Ka Po, his sisters Maria and Francis and, well, his entire family, have dedicated themselves to this event. Each week the Marquez's generously donates the peanut oil and all of the side dishes, French fries, fried mushrooms, zucchini, cheese sticks, and the occasional totally awesome fried Oreos! Can one imagine the Fish Fries without these tasty side treats! As if this wasn't generous enough, they dedicate much of the week and their entire Fridays preparing and then frying all of these sides throughout the evening. The fish fries is but one example of their spirit of service, giving and generosity. While finally retired Brother Jose is now more busy than ever supporting not only the council, but the church, the Boy Scouts and many other causes and charities and his family is always there to support these activities. Please join me in thanking Brother Jose and his entire family, they a true model of Knighthood and our values of Charity, Unity and Fraternity in service to Christ, the Church, our Order and the community!

Saint Joseph Table and Spaghetti Dinner

The Altar Society called upon the Knights for help in cooking the Spaghetti dinner. Everyone was well pleased with the success with proceeds going to Christian Services.

Knights of the Month

Again March was full of activities and events and so many contributed their time, efforts and talents making it highly difficult to recognize a single individual so thank you all! However, one Brother really rose to occasion taking on the work and dedicating not only his Fridays but also this Thursdays each week to our Lenten fish fries. His efforts with early preparation coming every Thursday to put out and thaw the fish is a necessary step making possible our wonderful fish dinners! Not only Thursdays, but he is there from start to finish each Friday toiling away with the kitchen team ensuring cooking operations go smoothly. So please join me in recognizing Brother Paul DePina for all his hard work and enthusiasm. Aside from the Lenten Fish Fries, Brother Paul is always active supporting our events and also very active at the Church serving early masses as an usher. He does this with a permanent smile and is simply one of those individuals who is a joy to be around. We are blessed to have Brother Paul's love and brotherhood -- Thank You for all you do!

Financial Secretary

It is with regret that I feel it necessary to once again make an appeal those of you who have not yet responded to the first and second notices of dues. We pay a Per Capita tax on all our membership. If the modest dues are not paid, another dues paying member must carry you. This is not fair! I stop short of naming names because this is not smart or ethical. A member's privacy must be maintained regardless what. If a problem exists please contact the Grand Knight or Financial Secretary. This will be held in strict confidence. Something can and will be worked out; especially for those more than one year in arrears. A member's active participation is far better than a member staying away due to being in arrears. Resolution of any dues problem is only a phone call away.
