Reminder, the few things that need to be done are still open, those of you who took assignments please come up to me during the first or second business meeting in June and give me an update. Remember it takes all of us to keep OUR hall looking good, if you took an assignment speak up. We should have most open items done by our next quarterly meeting in August.

Armando Sanchez
Compass Club President

Yes !! We made it

With the hard work of all, led by Chancellor Chris Langness, and the help of Field Agent Bob Olivas, the goal of Star Council was achieved. It took creative thinking and state of the art presentation. We now have some new members who immediately started working in the many projects endeavored by the council. **Congratulations To All !!!**

Grand Knight

In this, my last report as your Grand Knight, I would like to thank God for the time we've had and the blessings we've enjoyed. More specifically, the time we've had is this amazing year that has evaporated in what seemed like a momentary wink of an eye; and, the blessings we've enjoyed is the love, unity, and brotherhood found right here, in our own tight knit council. I cannot begin to express the honor and privilege you all have trusted in me to lead a truly amazing and talented group of Catholic Gentlemen and for this I thank you!

Looking back I am truly in awe of our collective accomplishments in service to church, community and brotherhood, and from what I can tell, we had great time working together and working hard to fulfill the Order's goals and objectives and making a difference to so many. In this vain, fresh off of the State Convention I would like to congratulate the council in achieving top 10 recognition in all the areas of activities including 1st place for council and youth activities and 3rd place for culture of life and family activities, as well as a special recognition for our ID Drive efforts placing us in the top 8% of all councils within the state! All of our efforts are even more meaningful given that California is far above average across all states in the amount of money raised for charity and number of hours given in service; we are at the top of the top! Join me in congratulating all of our dedicated chairs, leaders and all of you for this tremendous success! Together we can, together we did!

Each activity and each event we did and will do contributes to the larger achievement. This past month closing out April and into May we remained quite busy. April ended with Day of Sharing where 3926 contributed more than our fair share of support with overnight security and manning our pop gun booth with a dozen or more brothers in attendance! Thanks to Brother Frank and his lovely family we then ended April with a Corporate Communion and fantastic breakfast. Flowing into May we began supporting the annual church festival and countless brothers supported construction filling in the gap left by limited school parent signups! Construction for the Festival this year could not have been done without Council 3926! Throughout the festival our brothers undertook leadership in many important activities with Brother Loren leading the game booths and Brother Arnie heading the Beer Garden! As always, during festival, Knights are visibly everywhere! Overlapping with these heavy lift activities we hosted three receptions at the church – the RCIA reception after Easter Vigil Mass, and two First Holy Communion receptions and the ministries we supported were highly appreciative of our contribution; I would like to acknowledge Brother Bill for chairing all of these receptions!

(Continued on page 2)

(Continued from page 1)

The level of effort in May was truly representative of this entire past year, however, service was not our only accomplishments. 2016-17 was also a year of transition and nation building. We welcomed a new Pastor and two new Priests to Blessed Sacrament and established beautiful relationships with each showing that we are and will continue to be the "Go To" organization in service to our priests and the parish community; and we thank them for their prayers and support! We also deepened our relationships with other ministries including the Catholic Daughters, the Alter Society and the Youth ministries. I would like to extend our gratitude to these ministries for all their support and contribution to our events and service throughout the year! Furthermore, I am so proud of establishing relationships with the Horizon Pregnancy Clinic and the Lovers of the Holy Cross!

Closing out the year I wish to thank my officers, chairs and all of you, brothers of Council 3926; it truly takes a village and you all made great efforts and contributions to a fantastic year! As we transition to the new Columban Year, I wish to congratulate our new slate of Officers to be led by our Worthy DGK Ben! We have laid a foundation upon which great things can be done next year and I hope they will continue our path of growth, service and commitment to our core values of Charity, Unity, Fraternity and Patriotism, and to be the GO TO!

God Bless our Council and all of you, with Love and In Christ and Service,
Kien Le, Grand Knight

Deputy Grand Knight-Program Director

We've heard the phrase "what a whirlwind year!". Well, for our Council 3926, this Columbian Year was indeed a "whirlwind year". Thanks to you, brother Knights, our Council is on everyone's lips. It was your hard work and dedication that made this such a productive and joyful year. And, to your Program Director, it was a joy working with such a group of Catholic Knights. Brothers, you have made an impact on our parish, our community and beyond. With the leadership of our Worthy Grand Knight and his officers, you have raised the bar. But, we are not yet at finish line. So, with strength in our hearts and praise for our Lord on our lips, let us finish this year in joyful service.

The following is the finish of our Columbian year 2016-2017 and the beginning of our new 2017-2018 Columbian Year.

Knight of the Month

We have been blessed in our recruitment efforts with some truly amazing new brothers who dove right in, head first, supporting our many activities. Each new member has brought their unique talents, spirituality and dedication to our common values and vision, and our Knight of the Month for May is a man of deep spirituality and humble demeanor. He does not speak big in what he can or will do, instead he simply does in quiet service. Brother Kevin Tran, one of our newest members has supported many activities when asked, with a simple phone call he's always there. Kevin often came out to help with festival construction and brought along his childhood friend James (whom we hope will join our ranks). When Kevin wasn't available, he asked James to help. In the same fashion, since joining Kevin supported most of our earlier activities including the fish fries, the vocation retreat and others, and he does so with an unfading beauty of a gentle and quiet spirit. Kevin a great asset to the Council and we are blessed to have

Family of the Month

If there ever is a family that embodies the spirit, virtues and values of Catholicism, service and charity it is the Doornek Family. Loren, his wife Ka-Mun and their amazing children are true example of family value and humble service with love and compassion. This family not only supports and encourages Loren in his vast work for the Council, the Church and the School, such as chairing festival game operations and managing the school's Bingo program, they each sacrifice their time and efforts in service alongside their patriarch. It is not uncommon to find Loren toiling late at the church with the kids curled in the corner of the gym passed out from hours of helping their dad! It is not uncommon that KaMun makes and donates raffle baskets and other craft items to any parish fundraising activities or that she is actively involved in the planning and execution of such activities. For all the Doornek's do, it appears that God must bless them with more than 24 hours in a day that mere mortals get! There is never a need that goes unanswered by the Doorneks! Please join me in acknowledging and thanking Loren and his family for all they do, for who they are, and for being a part of our beloved council!
